

Jack & Jill Foundation

4-26-09

The Garcia family is forever thankful to you for giving us the vacation at USEPPA Island as a gift. The time at the island was an enriching experience for our family. There were lots of 1st time experiences for the kids; 1st time on a plane, 1st time on a limousine, 1st time on a boat ride, 1st time fishing, 1st time seeing a dolphin up close, 1st time at the Museum, & 1st time at a beach house.

So you see, it was an impacting vacation and memory for the kids, mother and I.

Michael and Karen were so amiable with us and made it easy for us to enjoy ourselves and to program the activities. The kids loved them and will never forget them. We would have never been able to do this without Jack & Jill Foundation. We thank you from the bottom of our hearts. We will always cherish this memory.

The following reflects a few of the emotions and feelings experienced at USEPPA Island.
